

# ASTA Licence

**Intertek**

The **ASTA Diamond Mark** is a symbol of electrical safety. It provides evidence for customers and authorities that Intertek has independently tested and certified the product's compliance to applicable safety standards, also that Intertek monitors production and testing to ensure subsequent production continues to comply with stated standards.

This Licence is valid until the review date or earlier if preceded by the withdrawal of the Approval Standard or otherwise withdrawn by the Certification Body. Current validity status can be confirmed by contacting:  
Intertek  
Hilton House,  
Corporation Street,  
Rugby, CV21 2DN  
United Kingdom  
Tel: +44 (0)1788 578435  
asta@intertek.com

Details of Approved variants, components and sites are given on Endorsements to this Licence (2 pages)

# ASTA Licence No. 60, Endorsement 1 of 2

Product: General Purpose Accessories

Designation: As designated on Endorsements

### Approved sites for manufacture/production:

Components & Assembly – Legrand Electric Limited  
No. 1 Industrial Estate  
Medomsley Road  
Consett  
County Durham  
DH8 6SR

### Conditions for maintenance of Licence:

- 1) Compliance with Certification Regulations.
- 2) Inspection of manufacturing facilities each year with satisfactory outcome.
- 3) Surveillance testing of production samples at required intervals with satisfactory outcome.
- 4) Satisfactory actions in the event of any compliance and/or safety issues becoming known after product has been supplied.
- 5) Prompt payment of invoices.

### Licence Renewal:

Licence fee will be invoiced annually during the month of March.  
The Licence document will be reissued following any changes advised or variants tested.  
A fee may be charged for reissue.

### Surveillance samples:

Samples are required to be tested in accordance with Intertek surveillance testing programmes.  
Samples should preferably be selected during scheduled Factory inspection visits.  
The fee for testing will be invoiced at the time of testing. A summary of testing will be provided.

### Use of the ASTA Mark:

The ASTA Mark may be used on the product and in marketing material relating to the product, as permitted by the Certification Regulations.  
The Licence number should be marked on the product (mandatory on BS 1363 plugs, where feasible on other products) in a form agreed by Intertek, such as "Approved by ASTA Licence no. 60".

### Marketing of product with alternative designation(s) or brand name(s):

This Licence relates only to products specifically described herein. Any alternative designations and/or brand names should be advised to Intertek. The Licence will then be reissued accordingly. Alternative brand names (if applicable) are shown on an Annex to this Licence.

### Compliance Testing:

Reason for test	ASTA reference / certificate
Complete compliance	9468
Complete compliance	14692
Modification – to approve non-interchangeable feature, coloured themoplasitic cover mouldings & EPOS printing	S14693

## ASTA Licence No. 60, Endorsement 2 of 2
